

# ZAITSAU ALEKSANDR

## Front-end Developer (React/Redux/TypeScript)

### PROFILE

Front-End developer with experience in creating SPA using React, Redux, HTML, CSS, JS. Seeking a front-end developer position with a company which will require me to utilize my skills, abilities in the IT field to ensure the company's success. Ready to consider project work and full-time employment. In the future I see myself as a Full Stack Developer and Project Manager.
